

Dumaguete Ruby Wedding

DA Hebeisen was on his last trip with ministry mandate and the Apostle Catan invited him to the Dumaguete Church. It was a weekend of celebration with the Catan family. The Apostle and his wife Sr. Cornelia celebrated their Ruby, 40th wedding anniversary. Their daughter and her husband brought their baby boy for baptismal and sealing to the Altar. It is always a special event when a family celebrates in the circle of the congregation, the joy is doubled by sharing.

The sermon focused on “Good Word and Good Work”

The Lord comforts us and strengthens our faith to be capable to accomplish the good work. (2. These. 2:16-

17)
