

A SURPRISE FOR APOSTLE SWETA

Apostle Willie Sweta was surprised by the members of Kitwe's Central congregation when they stood up and sang the birthday song for him on Sunday September 5, 2010 as he was about to leave the altar.

The Apostle, who was celebrating his 63rd birthday, was surprised when the whole congregation stood up and started singing the birthday song, as he was about to leave the altar after the service.

Accompanied by Bishop Steven Lindunda and all the district elders of his working area, the apostle conducted a divine service in Kitwe Central Church. He read a text word from John 10: 14:

„I am the good shepherd; and I know my sheep and am known by

my own.”

944 members, of whom 10 were visitors, attended the service.

After the service, the apostle had fellowship with the members who presented him with a cake and a gift.
