

# Kingsdale - Apostle Kraus Celebrates His 70th Birthday

On Wednesday, April 20th, District Apostle Woll, accompanied by Apostles Sobottka and Dzur, visited the Kingsdale congregation to celebrate the 70th birthday of our retired Apostle Nelson Kraus. Apostle Kraus was commissioned with his first ministry in the church at the age of 16 and ordained an ambassador of Christ, an Apostle, in 1993. He spread the gospel not just in Canada, but in many parts of West Africa; countries such as Ivory Coast, Burkina Faso, Ghana, Togo, and Benin, just to name a few. He was and still is today successful in business, but more importantly, he and his wife taught their four children always to put the Lord first in their lives. Today, their children and their families are active in their faith. We wish our Apostle Kraus a happy and blessed birthday!
